A 2 credit course at WDC is the equivalent to one school year. Students need 34 required credits to graduate, these courses are listed above. Electives include anything above and beyond the required courses. Students must also pass the MN competency tests in mathematics, reading, and writing to earn a diploma.

The class of 2014 and beyond at WDC can earn a total of 56 credits in grades 9-12. They need 52 of these to graduate, 34 required and 18 elective.
